Pope Francis latest encyclical "Laudato Si — on the care of our common home"

"The urgent challenge to protect our common home includes a concern to bring the whole human family together to seek a sustainable and integral development, for we know that things can change. The Creator does not abandon us; he never forsakes his loving plan or repents of having created us. Humanity still has the ability to work together in building our common home. Here I want to recognize, encourage and thank all those striving in countless ways to guarantee the protection of the home which we share. Particular appreciation is owed to those who tirelessly seek to resolve the tragic effects of environmental degradation on the lives of the world's poorest. Young people demand change. They wonder how anyone can claim to be building a better future without thinking of the environmental crisis and the sufferings of the excluded."

The Irish have felt drawn to Rome since the dawn of Christianity. The Irish College in Rome has hosted visitors from Ireland and beyond since its foundation in 1628. Continuing this tradition the College has established 'Villa Irlanda, Roma' to provide guest accommodation. It is only a 10 minute walk from the Colosseum. Located on the grounds of the Irish College, it will provide bed and breakfast accommodation for individuals, families and groups a like. For details, call 00 39 06 77263 501.

Visiting the West of Ireland? Take in Knock

The newly refurbished basilica at Knock shrine is certainly worth a visit this summer. The renovations gave beautiful prominence to the altar and the basilica is now a very comfortable place to pray. There are many events taking place in Knock during July and August. If you're in the vicinity, make a visit and light a candle for the sick in our parish.
